

The Sustainable Food Systems Programme welcomes UDYAMA, Institut National de la Recherche Agrologique (INRA), and Pinpoint Sustainability as new members of the Multi-stakeholder Advisory Committee (MAC). The SFS MAC is composed of 23 members from government agencies (7), civil society organisations (4), scientific and technical organisations (4), international organisations (4) and the private sector (4). The full list of SFS MAC members can be found [here](#).
